

## Foreword

This volume contains the Proceedings of the Second Soviet-Finnish Symposium in probability theory and mathematical statistics, which was held in St. Petersburg (Leningrad) in 16–20.10.1989. The editors would like to thank the Commission for Scientific and Technical Co-operation between Finland and USSR for its financial support, all the participants for their contributions, and the Finnish Academy of Science and Letters for accepting the publication of these proceedings in its *Annales*. The editors express their special gratitude to the local organizer of the symposium, Professor I.A. Ibragimov as well as to Mrs. Tuulikki Mäkeläinen for her help in the preparation of the proceedings.
